PLAIN FACTS FOR THE WORKING MAN

You know that your vote helps you to get better working conditions. Why? **Because it helps elect to office the men who can get you what you want.**

If you were to die to-morrow and your wife or daughters had to work, **they would need the vote for the same reasons.**

You love your family, but you are away all day at work and your wife looks after the children and the home.

Think what happens when the food supply has not been properly inspected, when there is cheating in weights and measures and in the quality of goods. **Your earnings are wasted.**

Think what happens when there are not enough schools or playgrounds. **Your children go without education and play in the crowded streets.**

Think what happens when housing laws are bad, and streets are filthy and milk isn't pure. **Your babies sicken and die.**

Think what happens when dance halls and theatres are not decent, and when unlawful sale of "dope" is carried on. **Your boys and girls are in danger of going wrong. Remember you haven't time** to look after all these things, and your wife's complaints to the City departments that control them, **do no good because she hasn't the vote.**

And don't forget there are more working people in this State than any other kind. When you let the women vote, you will double your power for getting what you need.
