

Product Envelope

Instructions:

1. Cut two pieces of construction paper 9" x 6". Tape the two sides and the bottom together to create an envelope.
2. Cut one piece of drawing paper 8 1/2" x 5 1/2".
3. Glue the drawing paper to the front of the envelope.
4. Illustrate the front of the envelope with the title "Telegraph" and a picture.
5. Cut one piece of construction paper 11" x 5 1/2". Write a paragraph about the telegraph based on the information from Communication From East to West on the front of the paper.
6. Make a display on the back of the 11" x 5 1/2" paper with vocabulary, photographs, drawings, illustrations, quotes, or information from the documents about the telegraph.
7. Slide the 11" x 5 1/2" construction paper into the envelope.
