[image of plane with no text]

[2]

Liberator Bomber. The Liberator is one of the fastest heavy bombers in the world, heavily armed, it carries a nine man crew with a range exceeding 3000 miles.

***Lt. R. L. Stone 0-696041***

***399th Bomb Group***

***Squadron 607***

***March Field, California***

***Dear Dad & Bee —***

***Just a card since I haven't had time to write.***

***Arrived two days ago and it is really a swell field. Our schedule is a very tough one and we have very little time off. It is swell to be out of Wendover, which was a real dump. Write!***

***Always, Bobby***

***Lt. Comdr. J. C. Stone***

***375 Park Avenue***

***New York City***

***N.Y.***

Notes:

---

Image of a flying plane, the Liberator Bomber, on the front of the postcard (page 1).
