Sunday Nite

Dear Dad & Bee —

Just a note to say that I've been trying to reach you by phone the last couple of days, but unfortunately you've been out each time. I tried again tonight but there was a five to six hour delay and so I gave up. Didn't have anything particular to say but I just thought it would be fun to talk to you again! Perhaps I can get a line through some time this week.

I received a long letter from Don today telling of his new set-up etc. I think his change-over is a good break and I only hope he can stick with it [*strikeout*] for a while and not get shifted to another outfit before he even has

a chance to get started. He has certainly done the rounds during his short time in the army. No more for now cause I wrote all the news in my long letter yesterday — just wanted you to know that it was I who called, so you wouldn't worry.

All love —

Bobby
