Dear Dad & Bee —

I haven't much time to write this morning because things are really buzzin'. Enclosed are a couple of insured package slips and an express receipt. At the last minute we had to get rid of some clothes etc. that I shipped homeward. I also sent some letters etc. that I'd like you to put in my closet for me. I sent some papers home that I think I should have destroyed so please be sure that nobody fools with them. They are mainly notes from bombardier school that I want to keep. Wish I could tell you more about our setup but as yet we're still in a state of confusion and rumor ourselves.

Must run now but will write as soon as I have a chance. I hope all of you will do likewise.

Love —

Bobby
