Friday Nite

Dear Dad & Bee —

'Twas swell to talk to you tonight for the last time for quite awhile. I never thought I'd be able to call again after we left Frisco but luckily I was.

Had a swell train trip (though slow) up here and we really traveled in style. The officers had drawing rooms, of all things! It really made the trip a real pleasure.

They let us out tonight for the last time before we "sail the ocean blue." The officers are supposed to have staterooms but I'll bet it won't be anything [*struck*: like] like our trip on the Georgic or Lafayette!

I haven't received any mail at my new address but I hope I'll find some waiting at our destination.

I'll write again as soon as I have a chance and have anything to write.

Best love to you —

Bobby
