Dear Dad & Bee —

I have no time to write at length now but please discontinue to use APO 953 and use the following address instead. It is not exact but I believe I will receive letters mailed to it. In a few days I'll be able to confirm my absolute address but until then use this —

11th Bomb Group (Heavy)

APO 241 % Postmaster

San Francisco, Cal.

S'long now.

All love—

Bobby
