My Dear Mrs Saney,

Are you well again? Are you at home again? If so report yourself to Miss Rachel G. Foster – to care of Mrs. May Wright Sewall – 405 North Pennsylvania Street – Indianapolis – And as she – Miss Foster – is going to stop with Mrs Sewall – the Chair Ex. Com. + Cor. Sec’y – to put their heads together to plan how to kill the enemy in Nebraska this November 7th next — and she wants to stop over with you a train – if there is the slightest hope of your helping her to get any ammunition for the war — We must raise \$10,000 – soon – to fight this battle – and it looks as if we might win in Nebraska if we [2] if the rich women will [*ever*] help us to bring our guns to bear on their arch enemy – ignorance & prejudice – that is sustain us in [*inserted: carrying*] lecturers & tracts into every school district

Let me know, too, how you are — and if you can give us a good lift now

Sincerely yours — with love, too, to ye both — made one —

Mr & Mrs Saney

Susan B. Anthony
