- EduHam
  - The goal of the Hamilton Education Program Online is to help students in grades 6–12 see the relevance of the founding era by using primary sources to create a performance piece (e.g., a song, rap, poem, or scene) following the model used by Lin-Manuel Miranda to create the musical *Hamilton*. The program consists of classroom activities and digital resources that can be incorporated into a regular curriculum on the founding era. To register, teachers can visit [hamilton.gilderlehrman.org](https://hamilton.gilderlehrman.org)
