These lawyers, and men of learning, and moneyed men, that talk so finely, and gloss over matters so smoothly, to make us poor illiterate people swallow down the pill, expect to get into Congress themselves... and then they will swallow up all us little folks, like the great Leviathan.

I am a plain man, and get my living by the plough... I have lived in a part of the country where I have known the worth of good government by the want of it. There was a black cloud [Shays’ Rebellion] that rose in the east last winter, and spread over the west. It brought on a state of anarchy, and that led to tyranny. I say, it brought anarchy. People that used to live peaceably, and were before good neighbors, got distracted, and took up arms against government... Our distress was so great that we should have been glad to snatch at anything that looked like a government. Had any person, that was able to protect us, come and set up his standard, we should all have flocked to it, even if it had been a monarch; and that monarch might have proved a tyrant.

A little rebellion now and then is a good thing, and as necessary in the political world as storms in the physical. It is a medicine necessary for the sound health of government.

Reading 4
It cannot be denied, with truth, that this new Constitution is, in its first principles, highly and dangerously oligarchic.

Reading 5
Among the numerous advantages promised by a well constructed Union, none deserves to be more accurately developed than its tendency to break and control the violence of faction... Complaints are everywhere heard from us most considerable and virtuous citizens, equally the friends of public and private faith, and of public and personal liberty; that our governments are too unstable, that the public good is disregarded in the conflicts of rival parties, and that measures are too often decided, not according to the rules of justice and the rights of the minor party, but by the superior force of an interested and overbearing majority. . . .
