Autograph manuscript signed, 1 page.

The one purpose of my life has been the establishment of perfect Equality of rights for women – civil and political – industrial and educational – We have attained equal chances in nearly all of the colleges & Universities – equal chances to work – but not equal pay – we have school suffrage in half the states, taxpayers' suffrage in a half-dozen states – Municipal suffrage in one state – Kansas – and full suffrage in favor – Wyoming, Colorado, Utah, Idaho – and hope and work in faith till the end –

In good cheer
